Flavour	Full-bodied and malty with roasted Wattleseed and gentle cinnamon-like and aniseed notes.
Foreign matter	Free from visible foreign matter under normal inspection.

3. Microbiological Specifications and Results

Parameter	Specification	Result	Method
Total Plate Count	NMT 10,000 CFU/g	Conforms	Supplier / laboratory method
Total Yeast & Mould	NMT 1,000 CFU/g	Conforms	Supplier / laboratory method
E. coli	Negative	Negative	Supplier / laboratory method
Salmonella	Negative	Negative	Supplier / laboratory method
Staphylococcus	Negative	Negative	Supplier / laboratory method

4. Chemical and Contaminant Specifications and Results

Parameter	Specification	Result	Method
Moisture	NMT 5.0%	2.18%	5 g / 105 C / 2 hrs
Ash	NMT 5.0%	4.06%	2 g / 525 C / 3 hrs
Total Heavy Metals	NMT 10 ppm	Conforms	Atomic Absorption
Arsenic (As)	NMT 1 ppm	Conforms	Atomic Absorption
Cadmium (Cd)	NMT 1 ppm	Conforms	Atomic Absorption
Mercury (Hg)	NMT 0.1 ppm	Conforms	Atomic Absorption
Lead (Pb)	NMT 3 ppm	Conforms	Atomic Absorption

5. Additional Processing / Testing Information

Sterilisation	High temperature and high pressure for a short time (5-10 seconds).
Pesticides	Conforms to applicable food-grade raw material requirements.

6. Food / Allergen / Processing Information

Allergens	No allergens intentionally added to the blend.
GMO	No genetically modified ingredients intentionally added.
Irradiation	Not intentionally irradiated.
Vegan	Suitable for a vegan diet based on listed ingredients.
Caffeine	Contains naturally occurring caffeine from Bush Black Tea.
Added flavours	No added flavouring stated; flavour character is provided by the tea and native botanical ingredients.

7. Packaging / Storage / Shelf Life

Packaging	Packed by Tea Life Australia Pty Ltd in food-grade retail packaging.
Storage	Store airtight in a cool, dry and dark place, away from heat, moisture and strong odours.
Shelf life	Okay for up to 4 years if airtight, cool, dry and dark.

8. Traceability and Quality Statement

Tea Life Australia Pty Ltd maintains supplier, ingredient and packing records for product traceability. Raw materials are received, inspected and stored under Tea Life's food-safety and quality procedures.
